

Capital Budget Application

A Message from Borough President James S. Oddo:

It is with great pleasure that I announce I am currently accepting applications for capital funding for Fiscal Year 2018. As a key element of the Borough President's charter-mandated duties, the allocation of capital funding is a duty I take seriously.

These funds enhance the work of Staten Island's organizations by providing resources for schools, non-profits and city agencies to make our Borough a better place for all Staten Islanders. I look forward to reviewing your requests for funding, and would like to facilitate this process as efficiently as possible.

Please do not hesitate to contact my Director of Capital Budget and Constituent Services, Marie Carmody-LaFrancesca, at (718) 816-2141 or miafrancesca@stateninsula.com should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "James S. Oddo".

James S. Oddo
Borough President
