Re: Weeds on Richmond Hill Road between Old Mill Road and Forest Hill Road.

Dear Borough Chief Montanino:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Sanitation (DOS).

My office was recently contacted by area residents regarding tall weeds on both sides Richmond Hill Road between Old Mill Road and Forest Hill Road. According to residents, the weeds are creating problems for motorists traveling on Richmond Hill Road.

I kindly ask that your office investigate this matter and the feasibility of expediting this request.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
