Honorable Thomas Cocola
Staten Island Borough Commissioner
New York City Department of Transportation
10 Richmond Terrace
Staten Island, New York 10301

Re: Request for Traffic Enforcement and Improved Traffic Control Devices

Dear Commissioner Cocola: *Tom*

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for traffic enforcement and improved traffic control devices at the St. Pauls Avenue and Van Duzer Street intersection. It is my understanding that the steep down hill section of St. Pauls Avenue before the intersection contributes to excessive speeding. It is also my understanding that above the intersection on St. Pauls Avenue there is a hanging intermittent flashing yellow red traffic light and two stop signs installed on Van Duzer Street controlling traffic exiting Van Duzer Street onto St. Pauls Avenue.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
James S. Oddo
Borough President
