Re: Poor Street Conditions on Isabella Avenue Between Clawson and Elmira Streets

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office was recently contacted by residents of Oakwood regarding poor street conditions at the above-referenced location. According to my constituents, there are large potholes that are creating a dangerous situation for both motorists and pedestrians.

I respectfully request that you address this matter and inform me of your findings so that I may advise my constituents accordingly.

Very truly yours,

James S. Oddo
Borough President
