Re: Potholes in Front of 319 and 325 Watchogue Road, Across from Holy Family Church

Dear Commissioner Cocola:

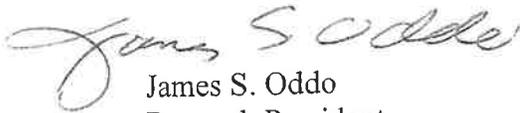

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has been contacted by residents of Westerleigh regarding a pothole condition at the above-referenced site. It is my understanding that there are large potholes at this location creating a dangerous situation for both motorists and pedestrians.

I respectfully request that you investigate the feasibility of resurfacing this street and notify me of your findings so I may advise my constituents accordingly.

Kindly accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Very truly yours,

James S. Oddo  
Borough President
