Re: Request for Resurfacing of Mountainview Avenue Between Queen Street and Holden Boulevard

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received several complaints from Meiers Corners residents regarding poor street conditions at the above-referenced location. According to my constituents, the street in question is laden with potholes and utility cuts that are creating a dangerous situation for both motorists and pedestrians.

I would appreciate it if you could investigate this matter and notify me of your findings so that I may advise my constituents accordingly.

Very truly yours,

James S. Oddo
Borough President
