Re: Request for Resurfacing of Lynn Street Between Guyon and Adelaide Avenues

Dear Acting Commissioner Cocola:

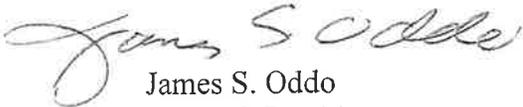

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received several complaints from Oakwood residents regarding poor street conditions at the above-referenced location. According to my constituents, there is a large rut running down Lynn Street between Guyon and Adelaide Avenues that is creating a dangerous situation for both motorists and pedestrians.

I would appreciate it if you could investigate this matter and notify me of your findings so that I may advise my constituents accordingly.

Please do not hesitate to contact my office if you wish to discuss this matter further.

Very truly yours,

James S. Oddo
Borough President
