Re: Request for Traffic Study at Amboy Road and Dale Avenue

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has been contacted by homeowners living on Dale Avenue regarding the increase in traffic and speeding at the above-referenced location. My constituents allege that motorists regularly speed through this area and it is difficult for pedestrians to cross at this location.

I would like DOT to investigate if there are any traffic mediations they can implement at this location to make it safer for both pedestrians and motorists. Kindly apprise me of your findings so that I may advise my constituents accordingly.

Very truly yours,

  
James S. Oddo  
Borough President
