Re: Request to Install Bus Shelters at Existing Bus Stops Located at the Intersection of
Arlene Street and Victory Boulevard

Dear Borough Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office was recently contacted by residents of Arlene Street regarding the above-referenced matter. According to residents, this bus stop has a significant amount of commuters that use it on a daily basis. As a result, residents feel that a bus shelter is needed at this location.

I respectfully request that you investigate the feasibility of implementing this request and notify my office of your findings so that I may advise my constituents accordingly. Please accord this request every consideration consistent with your rules and regulations and do not hesitate to contact my office if you wish to discuss this matter further. Thank you for your time and cooperation.

Very truly yours,

James S. Oddo
Borough President
