Mr. Thomas Cocola
Borough Commissioner
New York City Department of Transportation
Borough Hall, Room 300
Staten Island, New York 10301

Re: Request for Speed Humps Along 10th Street Between New Dorp and Tysens Lanes

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

On September 8, 2015, I contacted your office on behalf of residents of 10th Street regarding the need for speed humps at the above-referenced location. It is my understanding that residents believe that additional safety measures, such as speed humps, are needed and have requested that DOT explore this option to resolve the increased traffic and speeding problem on this stretch of 10th Street. This area is home to the New Dorp Christian Academy, Staten Island Technical High School, and New Dorp Baptist Church.

To date, I have not received any correspondence regarding this matter and I am eagerly awaiting the results of this investigation. I am hoping that you could expedite this matter so that this problem could be resolved. Kindly notify me of your findings so that I may advise my constituents accordingly.

Very truly yours,

James S. Oddo
Borough President
