Re: Request for Replacement of "Stop" Word Messages at the Intersection of McKinley Avenue, Natick Street, and Barbara Street

Dear Borough Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has been contacted by residents of Richmondtown regarding the need for the replacement of the "Stop" word messages at the above-referenced location. It is my understanding that the current messages are faded and motorists who are unfamiliar with the area are unaware of the existing stop signs at this intersection.

I respectfully request that you investigate this matter and apprise me of your findings so that I may advise my constituents accordingly.

Very truly yours,

James S. Oddo
Borough President
