Re: "No Standing" Sign Installed, Removed and Reinstalled and Subsequent Issuance
Of Violations

Dear Commissioner Cocola:

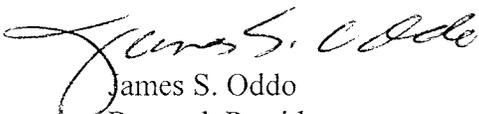

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received several complaints regarding the installation, removing and installing of a "No Standing" sign opposite 177 Silver Lake Road. It is my understanding that the sign was installed in June and subsequently removed. According to my constituents, the sign was reinstalled again on the morning of July 2, 2014 and my constituents were issued summonses at 8:26 that morning. Additionally, the installation of the sign has eliminated about four parking spots that are sorely needed in this area.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
