Re: Amboy Road North of Page Avenue

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request regarding the condition of Amboy Road, North of Page Avenue. It is my understanding that there are poor road conditions due to constant water flowing from wetlands.

I kindly ask that your office investigate this matter and apprise me of your findings.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "James S. Oddo", written over the printed name.
