Re: Painted Lines on Richmond Avenue near Staten Island Mall

Dear Commissioner Cocola:

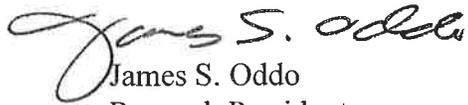

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received complaints regarding the faded lines on Richmond Avenue, near the Staten Island Mall. It is my understanding that the lines are difficult to see at night and in inclement weather.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituents accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
