Re: Pothole Conditions On Travis Avenue between Richmond Avenue & Victory Boulevard

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received complaints regarding pothole conditions on Travis Avenue between Richmond Avenue and Victory Boulevard. It is my understanding that two large potholes are located on the right side of the roadway when traveling from Richmond Avenue, near Victory Boulevard side.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituents accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo  
Borough President
