Re: Illegal Truck Traffic On Arlene Street

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received complaints regarding illegal truck traffic coming off the Staten Island Expressway on Fahy Avenue and then traveling along Arlene Street. Residents believe that additional signage is needed on Fahy Avenue to advise trucks that they may not travel along Arlene Street unless they are making a local delivery.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
