Re: Replacement of Street Sign At The Intersection of Manor Road and Rockland Avenue

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received a request for the replacement of the street signs at the intersection of Manor Road and Rockland Avenue. It is my understanding that the signs were removed during repairs to the intersection and never replaced after the work was completed.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
