Re: Request for Repaving of Forest Hill Road between Ashwoth Avenue and  
New Springville Little League Field

Dear Commissioner Cocola:

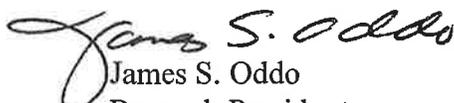

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for the repaving of Forest Hill Road between Ashwoth Avenue and New Springville Little league Field. It is my understanding that DOT has repaired potholes at this location several times but the inclement weather keeps reopening them. My constituents believe that a full resurfacing is needed to correct the problem.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

  
James S. Oddo  
Borough President
