Re: Potholes on Amboy Road, Just Past The Intersection Of Greaves Avenue

Dear Commissioner Cocola:

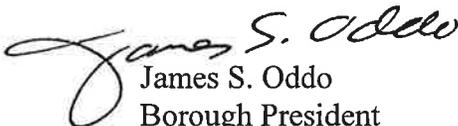

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for the repairing of potholes on Amboy Road traveling east, just past the intersection of Greaves Avenue. It is my understanding that numerous potholes need to be filled at this location.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

  
James S. Oddo  
Borough President
