Re: Request For Guardrail To Be Placed In Front of 870 Richmond Road At The Corner of  
Roosevelt Avenue

Dear Commissioner Cocola:

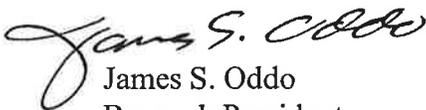

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for a guardrail in front of 870 Richmond Road. It is my understanding there has been three separate accidents at this corner causing damage to property. Additionally, this location is in the immediate vicinity of Public School 48 and the Christian Pentecostal Church and my constituents are concerned that this problem may escalate into a dangerous situation for students and worshippers traveling in this area.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo  
Borough President
