Re: Potholes on Victory Boulevard Between Richmond Avenue to the College of Staten Island

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for the repair of potholes on Victory Boulevard between Richmond Avenue to the College of Staten Island (CSI). It is my understanding that most of the potholes are between Morani Street and the entrance to CSI. Additionally, there is a big sink hole around the sewer cover before the bus stop that was reported but never repaired.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo  
Borough President
