Re: Request for Resurfacing of Hoyt Avenue between Forest Avenue and Delafield Avenue

Dear Commissioner Cocola:

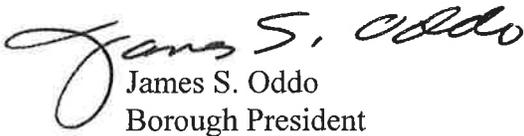

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for the resurfacing of Hoyt Avenue between Forest Avenue and Delafield Avenue. It is my understanding that this is a main route of the Richmond University Medical Center ambulances and employees leaving work. DOT has advised that the resurfacing of the street is scheduled for 2015.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
