Re: Requesting Additional Speed Humps on Otis Avenue at P.S. 41

Dear Commissioner Cocola:

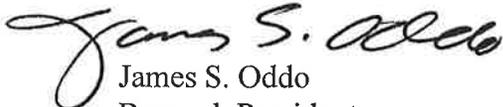

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received a request for an additional speed hump on Otis Avenue near P.S. 41. It is my understanding that one speed hump was installed on Otis Avenue, near the intersection of Otis Avenue and Clawson Street. Residents feel that it does not stop cars from speeding down Otis Avenue to beat the traffic light at Hylan Boulevard and Otis Avenue and believe that an additional speed hump is needed.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Very truly yours,

  
James S. Oddo  
Borough President
