Re: Potholes on Arlene Street at the intersection of Lamberts Lane

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for the repair of a large pothole on Arlene Street at the intersection of Lamberts lane. Additionally, it is my understanding that the pothole around the sewer cover opposite CSI on Victory Boulevard near the exit ramp to 440 has not been repaired.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
