Re: Poor Street Conditions on Nugent Street Between Rockland Avenue and Boyle Place

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has received several complaints regarding poor street conditions at the above-referenced site. This street is laden with potholes and utility cuts creating a dangerous situation for both motorists and pedestrians.

If you are not able to resurface the street from curb to curb, I ask that DOT investigate the possibility of strip paving this location to afford these residents a modicum of relief.

Please do not hesitate to contact my office if you wish to discuss this matter further. Thank you for your time and cooperation.

Very truly yours,

James S. Oddo
Borough President
