Re: Unsanitary Conditions at Vacant Property on Hylan Boulevard Between Allan Place and Arbutus Avenue, Staten Island

Dear Assistant Commissioner Termini:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within New York City Department of Sanitation.

I have received several complaints regarding the above-referenced location. This property is laden with weeds and garbage and is becoming an eyesore to the community. According to residents, sidewalk passage is extremely difficult and pedestrians are forced to walk in the street, presenting a potentially dangerous situation.

I kindly ask that your office inspect and clean this location if appropriate, as quickly as your schedule will allow. Please apprise me of your findings so that we may advise our constituents accordingly.

Please accord this request every consideration consistent with your rules and regulations, and thank you for your continued cooperation.

Very truly yours,

  
James S. Oddo  
Borough President
