The Honorable Laura Kavanagh  
Deputy Commissioner for Government Affairs  
New York City Fire Department  
9 Metrotech Center  
Brooklyn, NY 11201

Dear Deputy Commissioner Kavanagh:

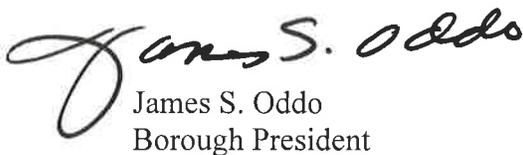

I am in receipt of your much anticipated response to our longstanding request for a FDNY Squad Company on Staten Island.

My first letter was on June 9, 2015 and your response was June 15, 2016. This means it took one year and six days (plus an additional day since 2016 is a Leap Year) to receive this response that was not actually responsive.

I read your letter. More than once. Multiple times. Still can't identify a response.

So, let's try again.

All the best,

  
James S. Oddo  
Borough President
