Re: Follow up on request for placement of a new squad company on Staten Island

Dear Commissioner Nigro:

I hope this letter finds you well.

I write to inquire as to the status of the enclosed letter, which was signed by every elected official on Staten Island, requesting the first squad company for our borough. To date, I have not received a response to the letter.

I am hopeful that that FDNY has spent the summer considering this request, and I respectfully ask for a status update.

As previously indicated in the initial letter, I stand ready to assist in any way I can to make it a reality.

Thank you for your time, courtesy, and consideration.

Very truly yours,

James S. Oddo
Borough President
