Re: Request for Increased Patrols at the Intersection of Cromwell and Laconia Avenues

Dear Captain Washington:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Police Department.

My office has been contacted by homeowners living in Dongan Hills regarding the increase in speeding at the above-referenced location. Residents allege that motorists regularly speed through the intersection and fail to stop at the all-way stop sign. My constituents are concerned that this may lead to a hazardous situation.

I would appreciate it if you could increase patrols in this area and investigate the above allegations. Kindly inform me of your findings so that I may inform my constituents accordingly.

Very truly yours,

James S. Oddo
Borough President
