Re: Request for All-Way Stop Sign at the Intersection of Jerome and McClean Avenues

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has been contacted by homeowners living in South Beach regarding the increase in traffic and speeding on McClean Avenue. According to the local residents, it is becoming increasingly difficult to cross the street at the above-referenced location and my constituents are concerned that this could become a hazardous situation. This area is home to Holy Rosary Church and School, as well as the site of numerous accidents.

I respectfully request that you immediately investigate the feasibility of placing an all-way stop sign at the intersection of Jerome and McClean Avenues. Please apprise me of your findings so that I may advise my constituents accordingly.

Kindly accord this request every consideration consistent with your rules and regulations.

Very truly yours,

James S. Oddo
Borough President
