Re: Request for All-Way Stop Sign at the Intersection of Midland Avenue and Lisbon Place

Dear Commissioner Cocola:

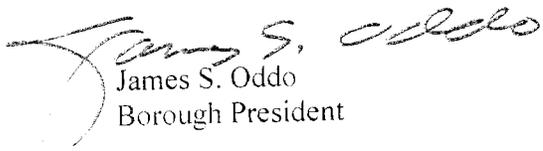

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office was contacted by homeowners living in Grant City regarding the increase in traffic and speeding on Midland Avenue. According to the local residents, it is becoming increasingly difficult to cross the street at the above-referenced location and my constituents are concerned that this could become a hazardous situation. This area is home to St. Christopher's School, as well as the site of numerous accidents.

Furthermore, due to the unique nature of the area, specifically because it is heavily trafficked by hundreds of students daily, it beckons our most immediate attention.

Please accord this request every consideration consistent with your rules and regulations, and thank you for your continued cooperation.

Very truly yours,

  
James S. Oddo  
Borough President
