Re: Poor Street Conditions Along North Gannon Avenue Between Sheraden and Martin
Avenues

Dear Commissioner Cocola:

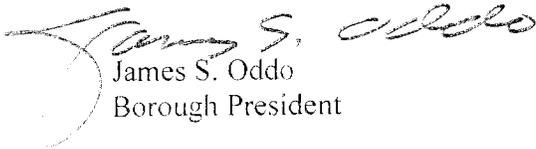

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has been contacted by constituents regarding pothole conditions at the above-referenced areas. It is my understanding that there are large potholes at these locations creating dangerous situations for both motorists and pedestrians.

I respectfully request that you investigate the feasibility of resurfacing this street and notify me of your findings so I may advise my constituents accordingly.

Kindly accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Very truly yours,

James S. Oddo
Borough President
