Re: Request for Left Turning Light at Hylan Boulevard & Kensington Avenue

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for a left turning light at Hylan Boulevard and Kensington Avenue to allow traffic to flow more efficiently. According to residents, it is increasingly difficult to make a left turn at this location with the large volume of oncoming traffic.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
James S. Oddo
