Re: Request for Increased Patrols in the Vicinity of PS 30

Dear Deputy Inspector Hurson:

We are writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Police Department.

Once again, our offices have received several complaints from homeowners living in Westerleigh regarding a problem at the above-referenced location. The community has expressed concern about the increase in speeding vehicles in the area around PS 30 including Leonard Avenue, Wardwell Avenue, Waters Avenue, Clinton B. Fiske Avenue and the Boulevard. It is our understanding that there have been several accidents at this location and our constituents are concerned that this may become a hazardous situation.

We would like to thank you for your past efforts in trying to resolve this issue and would appreciate it if you could increase patrols in this area again. Kindly inform us of your findings so that we may inform our constituents accordingly.

Very truly yours,

James S. Oddo
