Re: Request for Installation of Street Lighting on Garretson Lane Between North  
Railroad and Mosel Avenues

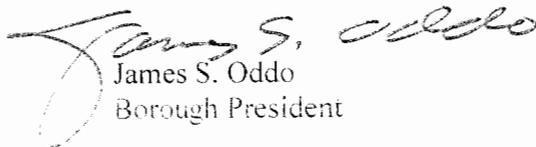

Dear Mr. Patel:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office was recently contacted by residents of Grasmere regarding the need for street lighting at the above-referenced location. According to residents, there is only one streetlight at the site in question and as a result the street is very dark at night. This has created an invitation for nefarious activities and my constituents are concerned that this may develop into a hazardous situation.

Kindly accord this request every consideration consistent with your rules and regulations and thank you for your time and cooperation.

Very truly yours,

  
James S. Oddo  
Borough President
