Re: Request for Resurfacing of Ellie Court

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office was recently contacted by my constituents regarding poor street conditions at the above-referenced location. It is my understanding that there are several large potholes at this location that are difficult for motorists to navigate around. It is also my understanding that the street is severely eroding in several areas.

I respectfully request that you address this matter and inform me of your findings so that I may advise my constituents accordingly.

Very truly yours,

  
James S. Oddo  
Borough President
