Re: Request for Replacement of yellow lane dividing lines on Rockland Avenue, as well as Travis Avenue, in the vicinity of the Davis Wildlife Refuge

Dear Commissioner Cocola:

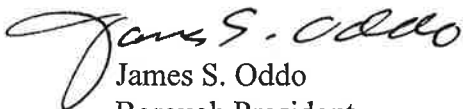

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received a request for the replacement of yellow lane dividing lines on Rockland Avenue and Travis Avenue. It is my understanding the section of Travis Avenue, in the vicinity of the Davis Wildlife Refuge, is hazardous when the weather is normal but the road conditions are worsened as a result of the lines fading due to the severe winter.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
