Re: Request for Painting Lines on Various Streets Throughout Staten Island

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation (DOT).

My office has received several requests for the painting of lines on streets and expressways throughout Staten Island. As you know, many of the lane markings on our streets were severely faded by the severe winter and my constituents are concerned that this may lead to a hazardous situation.

I kindly ask that your office investigate this matter and apprise me of your findings so that I may advise my constituent accordingly.

Please accord this request every consideration consistent with your rules and regulations. Thank you for your continued cooperation.

Sincerely,

James S. Oddo
Borough President
