Mr. Thomas Cocola  
Borough Commissioner  
New York City Department of Transportation  
Borough Hall, Room 300  
Staten Island, New York 10301

Re: Timing of Traffic Lights on Guyon Avenue at North and South Railroad Avenues

Dear Mr. Cocola:

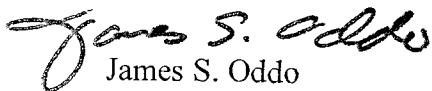

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has been contacted by residents of Oakwood regarding traffic congestion at the above-referenced location. My constituents have advised me that when they are traveling on South Railroad Avenue and make right turn onto Guyon Avenue, the lights at the aforementioned locations appear to not be synchronized properly. My constituents believe this problem is preventing traffic from flowing efficiently and state that traffic is backed-up down South Railroad Avenue to Tysens Lane.

I respectfully request that you investigate this matter and check the timing of the lights in question. Please apprise me of your findings so that I may advise my constituents accordingly.

Kindly accord this request every consideration consistent with your rules and regulations.

Very truly yours,

  
James S. Oddo  
Borough President
