Re: Unsanitary Conditions and Illegal Dumping at Vacant Property Along Meredith Avenue Between South and Cannon Avenues, Staten Island

Dear Associate Commissioner Termini:

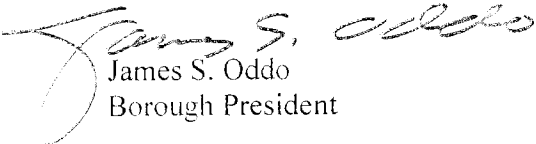

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Sanitation.

My office has been contacted by residents of the Travis area regarding the above-referenced locations. The property is laden with weeds and garbage and is becoming an eyesore to the community. It is my understanding that this area is frequently used as a dumping ground for household waste and various other debris.

I kindly ask that your office inspect and clean this location, if appropriate and increase enforcement patrols in the area. Please apprise me of your findings so that I may advise my constituents accordingly.

Kindly accord this request every consideration consistent with your rules and regulations, and thank you for your continued cooperation.

Very truly yours,

James S. Oddo
Borough President
