

Office of the Staten Island Borough President Expense Funding

The Borough President's office is only permitted to fund registered 501-c 3 not-for-profit organizations that provide services on Staten Island and have a valid Federal Tax Identification Number (EIN) and are registered and file yearly reports with the New York State Attorney General's office (CHAR 500).

If you believe your organization meets the criteria listed above, you may submit a request on your letterhead detailing how the requested funds will be used, as well as how many people the organization services. Please include your EIN number and your CHAR 500 number so we may check the database to make sure your organization is in compliance.

Requests can be submitted to:
