Re: Spending by New York City Department of Health and Mental Hygiene (DOHMH)

Dear Director *Lowenstein*

I hope this letter finds you well.

I am writing to request information regarding spending by the DOHMH on the various services and/or programs it provides on a borough-by-borough basis. More specifically, for each borough I would like a description and the amount of money being spent on each service and/or program, on an annual basis.

As always, I thank you for your kind attention and I await your response.

Sincerely,

James S. Oddo
President, Borough of Staten Island

*P.S. Is this possible?
Hope you've been well.*
