Re: Request for Increased Patrols on Nugent Street Between Rockland Avenue and Boyle Place

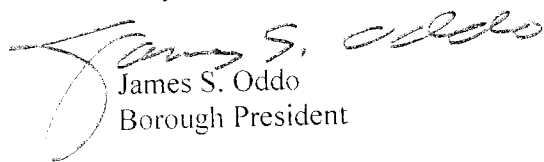

Dear Captain Washington:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Police Department.

My office has received several complaints from homeowners living on Nugent Street regarding a problem at the above-referenced location. The community has expressed concern about increased traffic and speeding vehicles during the evening rush hours from 4 p.m. to 7 p.m. They are concerned that this may become a hazardous situation.

I would appreciate it if you could increase patrols in this area and investigate the above allegations. Kindly inform me of your findings so that I may inform my constituents accordingly.

Very truly yours,

James S. Oddo
Borough President
