Re: Timing of Traffic Light at Forest Hill Road and Harold Street

Dear Mr. Cocola:

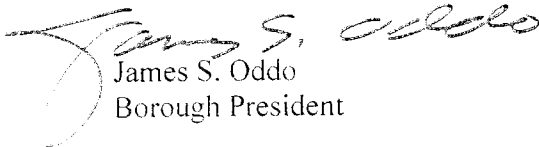

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has been contacted by residents of Willowbrook regarding traffic congestion at the above-referenced location. My constituents have advised me that when they are traveling on Harold Street the traffic light at Forest Hill Road appears to not be synchronized properly. My constituents believe this problem is preventing traffic from flowing efficiently.

I respectfully request that you investigate this matter and check the timing of the light in question. Please apprise me of your findings so that I may advise my constituents accordingly.

Kindly accord this request every consideration consistent with your rules and regulations.

Very truly yours,

  
James S. Oddo  
Borough President
