Re: Request for All-Way Stop Sign at the Intersection of Hillman Avenue and Renee Place

Dear Commissioner Cocola:

I am writing with the hope that you can be of assistance with a constituent matter, or in the alternative, forward this correspondence to the appropriate individual within the New York City Department of Transportation.

My office has been contacted by residents of Bulls Head regarding the increase in traffic and speeding on Hillman Avenue. According to the local residents, it is becoming increasingly difficult to cross the street at the above-referenced location. It is my understanding that this area has been the site of several accidents in the past. Public School 60 is located at this site and my constituents are concerned that this could become a hazardous situation.

I respectfully request that you immediately investigate the feasibility of placing an all-way stop sign at the intersection of Hillman Avenue and Renee Place. Please apprise me of your findings so that I may advise my constituents accordingly.

Very truly yours,

  
James S. Oddo  
Borough President
