Re: Appointment of Peter J. Calandrella as Staten Island Representative to the Panel for Education Policy (PEP)

Dear Chancellor Fariña:

I hope this letter finds you well.

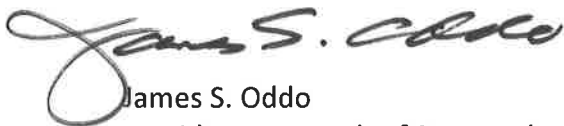

Please accept this correspondence as a letter of designation appointing Peter J. Calandrella as the Staten Island representative to the Panel for Education Policy (PEP). Mr. Calandrella will replace Ms. Kamillah Payne-Hanks.

Mr. Calandrella is a resident of Staten Island and he has four children who are currently attending public schools in our great city. He is a community and civic activist with a strong desire to improve and serve his community. I am grateful that he has accepted my offer to be the Staten Island representative to the PEP.

Mr. Calandrella's resume is attached. Please do not hesitate to contact me if you should have any questions or require additional information.

Thank you for your kind attention

Very truly yours,
